NARRATIVE:

Haynes has an extensive adult criminal history that began at the age of 18 years old and includes convictions for multiple identity theft, false statements, burglary, grand theft auto, prostitution with prior aids, grand theft property, suspended license, grand theft firearm, forgery, unlicensed driver and grand theft from employer. Haynes was released from state prison to the supervision of the Los Angeles County Probation Department on November 13, 2011. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2012 after Haynes absconded from post release community supervision (PRCS). Haynes qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for identity theft is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
